○ APOIO 3
TERCA - 100X50X17 CH 2,65

OBS: COLOCAR PONTALETES NOS ENCONTROS COM TESOURAS

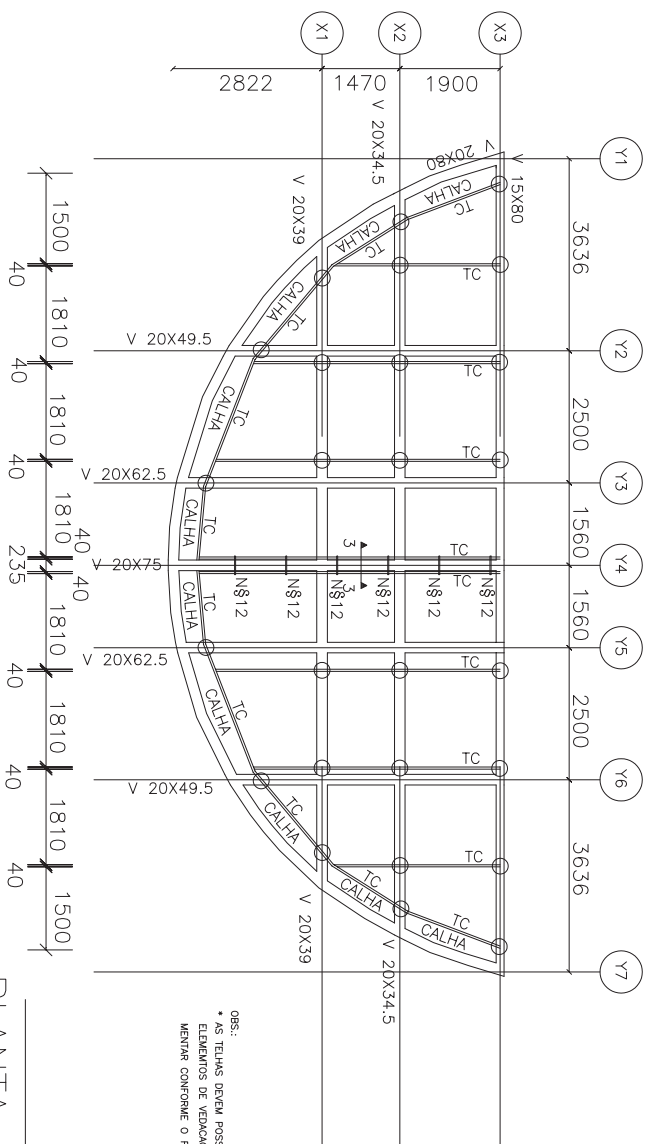

Technical drawing of a roof structure showing a cross-section and elevation. The drawing includes labels for structural elements: CALHA (eave), TELHA (tile), LATE (ridge), and WCA (water channel). It also shows dimensions in meters (m) and millimeters (mm), and references to 'AFRISO 3'. The roof is supported by a wall on the left and a ridge on the right. The cross-section shows the internal structure of the roof, including the tiles and the supporting beams. The elevation shows the external profile of the roof, including the eave and the ridge. The drawing is a detailed technical illustration of a roof structure, likely for a building or a bridge.
